

Zero Hunger			
SDG 2			
abject poverty	bismarckian	credit program	economic independence
absolute income	black economic empowerment	critical social policy	economic inequalities
absolute poverty	black economic empowerment (bee)	crop diversity	economic inequality
access to basic services	bolsa familia	cultural finance	economic poverty
access to credit	capital income	current population survey	education and poverty
access to electricity	cash assistance	cycle of poverty	elderly poverty
access to financial services	cash benefit	data poverty	electricity access
access to health insurance	cash benefits	dc pension	employment and income
access to land	cash transfer	dc pension plan	employment benefits
access to water	cash transfer program	deep poverty	employment guarantee
activation policies	cash transfer programme	defined benefit	employment insurance
active labour	cash transfer programmes	defined benefit pension	employment policies
active labour market	cash transfer programs	defined benefit pension plan	employment policy
active labour market policies	cash transfers	defined benefit pension plans	employment protection
active labour market policy	catastrophic expenditure	defined contribution	employment service
afdc	catastrophic health expenditure	defined contribution pension	employment services
affordable care	catastrophic health expenditure (che)	defined contribution pension plan	employment strategy
affordable care act	catastrophic health expenditures	defined contribution pension plans	employment-based
affordable care act (aca)	causes of poverty	defined contribution pension scheme	end hunger
age inequalities	charitable food	defined-benefit	energy poor
age inequality	child health insurance	defined-contribution	energy poverty alleviation
age pension	child poverty	defined-contribution pension	energy poverty index
agricultural finance	child stunting	depth of outreach	energy vulnerability
agricultural innovation	child support grant	depth of poverty	equal income
agricultural productivity	child wasting	determinants of poverty	equality index
agricultural resilience	child welfare reform	development inequality	equality measure
agrobiodiversity	childhood poverty	digital financial	equality measures
alleviating poverty	children in poverty	digital financial inclusion	equality of opportunities
alleviation strategies	children living in poverty	dimensions of poverty	equality of opportunity
and poverty	children's health insurance	disability insurance	equality reduction
and unemployment	children's health insurance program	disability policies	equivalence scale
antipoverty	children's health insurance program (chip)	distribution inequality	eradicating poverty
anti-poverty policies	chronic poverty	distribution of income	eradication of poverty
anti-poverty policy	climate-smart agriculture	distribution of wealth	esping-andersen
anti-poverty program	combating poverty	distributional effect	eu-silc
anti-poverty programmes	community poverty	distributional effects	eu-silc
antipoverty programs	community-based health insurance	distributional impact	eu-silc
anti-poverty programs	community-based health insurance (cbhi)	distributive effect	eu-silc
anti-poverty strategies	comparative social policy	distributive effects	eu-silc
aquaculture	comparative welfare state	distributive impact	eu-silc
asset poverty	concentrated poverty	distributive policies	eu-silc
atkinson index	concentration of poverty	dynamics of poverty	eu-silc
at-risk-of-poverty	conditional cash transfer	earned income	eu-silc
average income	conditional cash transfer program	earned income tax	eu-silc
basic income	conditional cash transfers	earned income tax credit	eu-silc
basic pension	consumption expenditure	earned income tax credit (eitc)	eu-silc
below poverty line	consumption inequality	earnings distribution	eu-silc
benefit package	consumption poverty	earnings inequality	eu-silc
benefit receipt	contributory pensions	economic empowerment	eu-silc
benefit system	coverage expansion	economic growth and poverty reduction	eu-silc
fighting poverty	group inequality	female-headed	eu-silc
finance sector	group lending	female-headed household	eu-silc
finance service	growth and income distribution	female-headed households	eu-silc
financial access	growth and inequality	fight against poverty	eu-silc
financial exclusion	headcount	income and living conditions	eu-silc
financial inclusion (fi)	headcount ratio	income and wealth	eu-silc
financial inclusion index	health and poverty	income and wealth distribution	eu-silc
financial protection	health care safety net	income and wealth inequality	eu-silc
financial risk protection	health cover	income concentration	eu-silc
fisheries	health coverage	income data	eu-silc
food access	health financing	income difference	eu-silc
food affordability	health insurance coverage	income differences	eu-silc
food assistance	health insurance exchange	income disparities	eu-silc
food availability	health insurance exchanges	income disparity	eu-silc
food insecure	health insurance expansion	income distribution	eu-silc
food insecurity	health insurance market	income distribution inequality	eu-silc
food loss and waste	health insurance marketplace	income distributions	eu-silc
food pantries	health insurance policy	income dynamics	eu-silc
food poverty	health insurance premium	income equality	eu-silc
food security	health insurance program	income gap	eu-silc
food sovereignty	health insurance reform	income gaps	eu-silc
food stability	health insurance scheme	income groups	eu-silc
food stamp	health insurance schemes	income growth	eu-silc
food stamps	health insurance status	income inequality	eu-silc
food supply chains	health insurance system	income insurance	eu-silc
food systems	health payments	income mobility	eu-silc
food utilization	health poverty	income protection	eu-silc
formal employment	high inequality	income quintile	eu-silc
formal financial services	high poverty	income quintiles	eu-silc
formal sector	high unemployment	income redistribution	eu-silc
formal social protection	high-poverty	income security	eu-silc
fuel poverty	horizontal inequity	income share	eu-silc
functional income distribution	household asset	income shares	eu-silc
funded pension	household assets	income source	eu-silc
funded pension system	household expenditure	income sources	eu-silc
funded pensions	household food insecurity	income stratification	eu-silc
gender inequities	household food security	income support	eu-silc
gender inequity	household head	income survey	eu-silc
gender poverty	household income and expenditure survey	income transfer	eu-silc
gender wage differential	household income distribution	income transfers	eu-silc
gender wage discrimination	household income inequality	income-poverty	eu-silc
gender wage gap	household incomes	income-related	eu-silc
gender wage gaps	household poverty	income-related inequalities	eu-silc
gender wage inequality	household survey data	income-related inequality	eu-silc
generational poverty	household vulnerability	individual income	eu-silc
gini coefficient	household welfare	inequality and growth	eu-silc
gini coefficients	housing poverty	inequality and poverty	eu-silc
Zero Hunger			
SDG 2			

gini decomposition	hunger and poverty	inequality change	livelihood empowerment
gini index	incidence of poverty	inequality data	livelihood strategies
global index	inclusion index	inequality decomposition	livestock production
global income	inclusive finance	inequality index	living in poverty
global poverty	inclusive growth	inequality indicators	local poverty
grameen	income and consumption	inequality indices	local welfare
grameen bank	income and expenditure	inequality measure	lone mother
lone mothers	needy	poverty indicators	risk of social exclusion
lone parent	neighborhood poverty	poverty indices	risk protection
lone parents	new poverty	poverty level	rural bank
long-term unemployment	new social risks	poverty levels	rural banks
lorenz curve	no poverty	poverty lines	rural development
lorenz curves	nonexpansion	poverty map	rural employment
low incomes	non-poor	poverty mapping	rural finance
low-income adults	nordic welfare	poverty measurement	rural house
low-income children	notional defined contribution	poverty measures	rural household
low-income families	nutrition	poverty policy	rural households
low-income group	nutrition assistance	poverty profile	rural income
low-income groups	nutrition assistance program	poverty programs	rural income inequality
low-income household	nutrition poverty	poverty ratio	rural livelihood
low-income households	occupational pension	poverty reduction	rural livelihoods
low-income individuals	old age pension	poverty reduction effect	rural poor
low-income people	old-age pension	poverty reduction programme	rural poverty
low-income worker	old-age pensions	poverty reduction strategies	rural poverty alleviation
low-income workers	old-age poverty	poverty reduction strategy	rural poverty reduction
luxembourg income study	optimal unemployment insurance	poverty reduction strategy paper	safety net
male-headed household	out-of-pocket	poverty reduction strategy papers	safety net clinic
male-headed households	out-of-pocket expenditure	poverty relief	safety net program
malnutrition	out-of-pocket health expenditure	poverty research	safety net programs
market access	out-of-pocket payment	poverty risks	safety net providers
market income	out-of-pocket payments	poverty segregation	safety nets
market policies	pay-as-you-go	poverty severity	safety-net
market policy	pay-as-you-go (payg)	poverty status	safety-net hospital
material deprivation	pay-as-you-go pension	poverty targeting	safety-net hospitals
material hardship	pay-as-you-go pension system	poverty threshold	school feeding
maternal nutrition	payg	poverty transition	security association
means-tested	payg pension	poverty trap	security benefits
measure of inequality	payg system	poverty traps	security contribution
measurement of poverty	pension benefit	poverty trends	security reform
measures of income inequality	pension benefits	poverty vulnerability	seed security
measures of inequality	pension contribution	poverty	severe poverty
median income	pension contributions	poverty-alleviation	single mothers
medicaid coverage	pension coverage	poverty-stricken areas	skill premium
medicaid eligibility	pension expenditure	poverty-stricken counties	skill-bias
medicaid expansion	pension fund	precise poverty alleviation	skilled-unskilled wage inequality
medicaid expansions	pension funds	precision poverty alleviation	small loans
medically uninsured	pension income	price volatility	smallholder farmers
mfis	pension insurance	private health insurance	social assistance
micro credit	pension liabilities	private pension	social citizenship
micro fin	pension plan	private pension fund	social exclusion
micro finance	pension plans	private pension funds	social expenditure
micro finance institution	pension policy	private pension scheme	social expenditures
micro-credit	pension provision	private pension system	social grant
microcredit program	pension reforms	private pensions	social grants
microcredit programme	pension rights	progressivity	social health insurance
microcredits	pension saving	proletariat	social insurance
microenterprise	pension savings	pro-poor development	social investment state
microfin	pension scheme	pro-poor growth	social investments
micro-fin	pension schemes	pro-poor policies	social pension
micro-finance	pension system reform	pro-poor policy	social pensions
microfinance bank	pension wealth	pro-poor tourism	social policies
microfinance banks	pensioner	pro-rich	social policy
microfinance industry	pensioners	prps	social policy preferences
micro-finance institutions	persistent poverty	prwora	social policy reform
microfinance institutions (mfi)	personal income distribution	public assistance	social policy research
microfinance market	photovoltaic poverty alleviation	public assistance program	social programs
microfinance organization	piketly	public coverage	social protection
microfinance organizations	pobreza	public employment	social protection expenditure
microfinance performance	poor and non-poor	public health insurance	social protection policies
microfinance program	poor children	public insurance	social protection policy
microfinance sector	poor families	public pension fund	social protection programmes
microfinance services	poor household	public pension funds	social protection programs
microfinancing	poor households	public pension plan	social protection system
microlending	poor people	public pension program	social protection systems
micro-lending	poor women	public pension scheme	social protections
microloan	poorest of the poor	public pension system	social right
